ESTIMATED ROADMAP

DISCLAIMER: This estimated roadmap is for informational purposes only. Actual results may vary. Whilst we have been successful in hitting our major milestones so far, Choon is a complex business with many moving parts which operates in two rapidly shifting market spaces, therefore the estimated dates, deliverables and milestones above may be amended, replaced or determined to be unobtainable by the company for a number of reasons, such as, changes in underlying technologies or markets, market demands and forces and other factors. Some of the features listed above may be released earlier or later than set out in this roadmap, or they may be canceled and replaced with other features entirely. Furthermore, some features will be subject to legal & regulatory approval. Please read our Terms & Conditions of Sale for further details.
